3. If the Username and Password are entered in properly, you will then be directed to a **Change Your Password** page.
  - **Current Password** – enter in the temporary password your district or school assigned you.
  - **New Password** – create a new password (*please remember this because the school nor the district will have this information on file if you forget the password*)
  - **Re-Enter New Password** – retype the New Password you just entered.
4. Click **Enter**

# PowerTeacher

## Change Your Password

 Your password has been reset by the administrator. Please create a new password.

New password must:

- Be at least 7 characters long
